

Stone Canyon Outdoor EdVentures Teacher Approval Form

Name: _____

Stone Canyon is proud to offer DCSD High School students an opportunity to volunteer with our outdoor education program and assist in providing elementary school students a rewarding experience. High School Leads that are selected will attend a 3-day, 2-night session.

Students will be missing classes to volunteer for Stone Canyon. Please take this opportunity to discuss with your student about the content they will be missing. Although this is an impactful and positive opportunity for students, we at Stone Canyon understand that school comes first. If a student decides that missing school could negatively impact their overall performance, students can withdraw from the program without consequence.

For Teachers: The only obligation during school hours is the actual program days. ALL training takes place on a designated Saturday. **No additional training hours are required during the school day.**
